Professional Summary

Final-year B.Tech student with a strong foundation in Java, Spring Boot, MySQL, and Data Structures Algorithms. Interested in backend development and building practical applications using Java and Spring Boot. Currently focused on improving problem-solving and backend development skills.

Education

Vellore Institute of Technology (VIT)	2027
<i>B.Tech – Computer Science & Engineering (AI & ML)</i>	<i>CGPA: 8.15 / 10.0</i>
Govt. Sr. Sec. School, Kota	2022
<i>Class 12</i>	<i>CGPA: 8.2 / 10.0</i>
Govt. Sr. Sec. School, Kota	2020
<i>Class 10</i>	<i>CGPA: 8.31 / 10.0</i>

Technical Skills

Languages: Java

Frameworks: Spring Boot, Spring MVC, Hibernate, Spring Security, REST APIs

Database: MySQL

Tools: Git & GitHub, IntelliJ IDEA, Maven

Projects

Bank Management System	2026
<i>Java, JDBC, MySQL</i>	

- Developed a Java-based banking application to manage customer accounts, deposits, withdrawals, transfers, and transaction records using JDBC and MySQL.
- Implemented CRUD operations using JDBC PreparedStatement and designed relational database tables to maintain structured customer and transaction data.
- Applied Object-Oriented Programming principles, exception handling, and input validation to improve code organization, reliability, and data integrity.
- Implemented transaction handling for banking operations to maintain consistency during account updates and financial transactions.

CloudDoc Intelligence	2026
<i>Java, Spring Boot, PostgreSQL, AWS S3</i>	

- Developed a cloud-based document management system for uploading, processing, and managing PDF documents.
- Implemented REST APIs using Spring Boot with JWT-based authentication and user-specific document access.
- Integrated PostgreSQL with JPA/Hibernate for storing document metadata and user information.
- Used Apache PDFBox for PDF text extraction and rule-based classification to identify invoice documents and extract key invoice fields.
- Integrated AWS S3 for document storage with local storage support for development.

Certifications

- Google IT Support Professional Certificate – Google (2026)
- Oracle Cloud Infrastructure 2025 Certified Generative AI Professional
- GenAI Powered Data Analytics Job Simulation – Forage

Extra-Curricular & Co-Curricular Activities

- Organizing Committee Member, Health Hackathon – Supported event planning, coordination, and execution.
- Organizing Committee Member, College Annual Fest – Collaborated with teams to coordinate and execute major college events.
- Marketing Lead, College Club – Led promotional activities and coordinated with team members to drive participation in club events.
